▣ **FLEET firemní automobily™** (FLEET Company Cars) is a professional „business-to-business“ magazine covering fleet administration and fleet management. The content of the FLEET is addressing wide scale of managers, entrepreneurs, self-employed persons and employees responsible for the company cars at all levels of the car fleet management, serving them with information about the current trends in modern fleet management, risk management and related topics as acquisition, financing, servicing, insuring, monitoring and operating the car fleet. Thanks to its wide range of cooperating experts and determination to bring the most credible information, the FLEET has been for thirteen years a respectable and appreciated source of information for Czech fleet managers and senior executives who deal with company car management within their managerial competence.

▣ **The FLEET** magazine has been also for years the key pillar of a comprehensive activities supporting the fleet business communication, thus connecting the clients with their suppliers and vice versa. Apart from printed magazine, the internet portal iFLEET.cz as well as event activities consisting of the series of fleet meetings Tour de Fleet, panel discussions Face to Face as well as the Fleet Awards (www.fleetawards.cz) and Firemní auto roku (Company Car of the Year; www.firemniautoroku.cz) surveys. All these activities represent, together with the printed and web magazine, systematical and complex communication platform for the professionals in fleet business.
